Conen Mounts

Conen motorized mounts ensure classroom displays are always where they need to be. Whether wall mounted, free standing, or mobile, Conen's mounting solutions offer smooth adjustability and maximum flexibility to any Interactive Flat Panel.

Key Features

Sturdy

Interactive displays are kept safely secured, regardless of the mount model.

Flexible

Height adjustable so every student can see and use the interactive display.

Mobile

Conen's Mobile Stand allows Interactive Flat Panels to be moved around the classroom or school.
